

Let's sort it!

Your guide
to getting
recycling right

 Royal Greenwich recycles

ROYAL *borough of*
GREENWICH

YES PLEASE

Recycling must be clean, free from food and preferably put in the blue top bin loose.

If you can't see an item on this list, it can't be recycled!

CARDBOARD

METAL JAR LIDS

PAPER

PLASTIC POTS AND TRAYS

CARTONS AND TETRAPAK

TINS, CANS AND FOIL

GLASS JARS AND BOTTLES

PLASTIC BOTTLES

Don't waste the opportunity to recycle! For more information, visit royalgreenwich.gov.uk/recycling

NO THANKS

Contamination is when the wrong type of waste ends up in the recycling bin. When this happens, it means everything else in the bin can no longer be recycled.

Here are the items that need to go in the black top bin (for general waste) and not in the blue top recycling bin:

FOOD-COATED ITEMS

PPE

NAPPIES

WIPES AND TISSUES

BLACK SACKS

POUCHES AND TUBES

WRAPPERS AND PACKETS

HARD PLASTIC ITEMS

POLYSTYRENE AND BUBBLE WRAP

PLASTIC BAGS AND FILMS

Black sacks must **only** go in the black top bin for general waste.
