“the Notification Letter”	the agreed form of letter sent to applicants on the Prescribed Day which communicates any determination granting or refusing admission to a primary or secondary school, which is attached as Schedule 2
“the Prescribed Day”	the day on which outcome letters are posted to parents/carers. 1 March (secondary) and 16 April (primary) in the year following the relevant determination year except that, in any year in which that day is not a working day, the prescribed day shall be the next working day.

“the Pan-London Timetable”	the framework for processing of application and outcome data, which is attached as Schedule 3

## **Scheme for co-ordination of admissions to Year 7 in September 2026**

*All the numbered sections contained in this scheme are mandatory, except those marked with an\* which are highly desirable.*

### **Applications**

1. Royal Borough of Greenwich will advise home LAs of their resident pupils on the roll of Royal Borough of Greenwich's maintained primary schools and academies who are eligible to transfer to secondary school in the forthcoming academic year.
2. Applications from residents of Royal Borough of Greenwich will be made on Royal Borough of Greenwich's Common Application Form, which will be available and able to be submitted on-line. This will include all the fields and information specified in Schedule I to this Template LA Scheme. These will be supplemented by any additional fields and information which are deemed necessary by Royal Borough of Greenwich to enable the admission authorities in the LA area to apply their published oversubscription criteria.
3. Royal Borough of Greenwich will take all reasonable steps to ensure that every parent/carer who is resident in Royal Borough of Greenwich and has a child in their last year of primary education within a maintained school or academy, either in Royal Borough of Greenwich or any other maintaining LA, is informed how they can access Royal Borough of Greenwich's composite prospectus and apply online. Parents/carers who do not live in Royal Borough of Greenwich will have access to Royal Borough of Greenwich's composite prospectus, which will advise parents/carers to contact their home LA if they are unable to apply online.
4. The admission authorities within Royal Borough of Greenwich will not use supplementary information forms except where the information available through the Common Application Form is insufficient for consideration of the application against the published oversubscription criteria. Where supplementary information forms are used by the admissions authorities within Royal Borough of Greenwich, the LA will seek to ensure that these are used to collect information required by the published oversubscription criteria only, in accordance with paragraph 2.4 of the School Admissions Code 2021.
5. Where supplementary information forms are used by admission authorities in Royal Borough of Greenwich, they will be available on Royal Borough of Greenwich's website. Such forms will advise parents that they must also complete their home LA's Common Application Form. Royal Borough of Greenwich's composite prospectus and website will indicate which schools in Royal Borough of Greenwich require supplementary forms to be completed and where they can be obtained.

6. Where an admission authority in Royal Borough of Greenwich receives a supplementary information form, Royal Borough of Greenwich will not consider it to be a valid application unless the parent/carer has also listed the school on their home LA's Common Application Form, in accordance with paragraph 2.3 of the School Admissions Code 2021.
7. \*Applicants will be able to express a preference for six maintained secondary schools or Academies within and/or outside the Home LA. [If the above recommendation of six preferences is inappropriate for this authority, an alternative number will be substituted].
8. The order of preference given on the Common Application Form will not be revealed to a school within the area of Royal Borough of Greenwich. This is to comply with paragraph 1.9 of the School Admissions Code 2021 which states that admission authorities must not give extra priority to children whose parents rank preferred schools in a particular order, including 'first preference first' arrangements. However, where a parent resident in Royal Borough of Greenwich expresses a preference for schools in the area of another LA, the order of preference for that LA's schools will be revealed to that LA in order that it can determine the highest ranked preference in cases where an applicant is eligible for a place at more than one school in that LA's area.
9. Royal Borough of Greenwich undertakes to carry out the address verification process as set out in its entry in the LIAAG Address Protocol. This will in all cases include validation of resident applicants against Royal Borough of Greenwich's primary school data and the further investigation of any discrepancy. Where Royal Borough of Greenwich is not satisfied as to the validity of an address of an applicant whose preference has been sent to a maintaining LA, it will advise the maintaining LA no later than **11 December 2025**.
10. Royal Borough of Greenwich will confirm the status of any resident child for whom it receives a Common Application Form stating s/he is currently or previously a 'Child Looked After' and will provide any additional evidence on receipt of a reasonable request by the maintaining LA in respect of a preference for a school in its area by **14 November 2025**.
11. Royal Borough of Greenwich will advise a maintaining LA of the reason for any application which is made in respect of a child resident in the area of Royal Borough of Greenwich to be admitted outside of their correct age cohort and will forward any supporting documentation to the maintaining LA by **14 November 2025**.

## Processing

12. Applicants resident within Royal Borough of Greenwich must return the Common Application Form, which will be available and able to be submitted online, to Royal Borough of Greenwich by **31 October 2025**.

13. Application data relating to all preferences for schools in the area of a participating LA, which have been expressed within the terms of Royal Borough of Greenwich's scheme, will be up-loaded to the PLR by **14 November 2025**. Supplementary information provided with the Common Application Form will be sent to maintaining LAs by the same date.
14. [Royal Borough of Greenwich shall, in consultation with the admission authorities within Royal Borough of Greenwich's area and within the framework of the Pan-London timetable in Schedule 3A, determine and state here its own timetable for the processing of preference data and the application of published oversubscription criteria.]
15. \*Royal Borough of Greenwich will accept late applications only if they are late for a good reason, deciding each case on its own merits. The latest date for receipt of such applications from parents/carers is **8 December 2025**. [If this recommendation is deemed inappropriate for this authority an alternative approach should be substituted]
16. Where such applications contain preferences for schools in other LAs, Royal Borough of Greenwich will forward the details to maintaining LAs via the PLR as they are received. Royal Borough of Greenwich will accept late applications which are considered to be on time within the terms of the home LA's scheme.
17. The latest date for the upload to the PLR of late applications which are considered to be on-time within the terms of the home LA's scheme is **11 December 2025**.
18. Where an applicant moves from one participating home LA to another after submitting an on-time application under the terms of the former home LA's scheme, the new home LA will accept the application as on-time up to **8 December 2025**, on the basis that an on-time application already exists within the Pan-London system.
19. Royal Borough of Greenwich will participate in the application data checking exercise scheduled between **15 December 2025 and 2 January 2026** in the Pan-London timetable in Schedule 3A.
20. All preferences for schools within Royal Borough of Greenwich will be considered by the relevant admission authorities without reference to rank order to comply with paragraph 1.9 of the School Admissions Code 2021. When the admission authorities within Royal Borough of Greenwich have provided a list of applicants in criteria order to Royal Borough of Greenwich, Royal Borough of Greenwich shall, for each applicant to its schools for whom more than one potential offer is available, use the highest ranked preference to decide which single potential offer to make. [This is the 'Equal Preference System'.]
21. Royal Borough of Greenwich will carry out all reasonable checks to ensure that pupil rankings are correctly held in its LAS for all maintained schools and

academies in Royal Borough of Greenwich's area before uploading data to the PLR.

22. Royal Borough of Greenwich will upload the highest potential offer available to an applicant for a maintained school or academy in Royal Borough of Greenwich to the PLR by **2 February 2026**. The PLR will transmit the highest potential offer specified by the Maintaining LA to the Home LA.
23. The LAS of Royal Borough of Greenwich will eliminate, as a Home LA, all but the highest ranked offer where an applicant has more than one potential offer across Maintaining LAs submitting information within deadline to the PLR. This will involve exchanges of preference outcomes between the LAS and the PLR (in accordance with the iterative timetable published in the Business User Guide) which will continue until notification that a steady state has been achieved, or until **13 February 2026**. Where a management decision is made that additional iterations are necessary, these will continue no later than **17 February 2026**.
24. Royal Borough of Greenwich will not make an additional offer between the end of the iterative process and **2 March 2026** which may impact on an offer being made by another participating LA.
25. Notwithstanding paragraph 24, if an error is identified within the allocation of places at a maintained school or academy in Royal Borough of Greenwich, Royal Borough of Greenwich will attempt to manually resolve the allocation to correct the error. Where this impacts on another LA (either as a home or maintaining LA) Royal Borough of Greenwich will liaise with that LA to attempt to resolve the correct offer and any multiple offers which might occur. However, if another LA is unable to resolve a multiple offer, or if the impact is too far reaching, Royal Borough of Greenwich will accept that the applicant(s) affected might receive a multiple offer.
26. Royal Borough of Greenwich will participate in the offer data checking exercise scheduled between **16 (18) February and 23 February 2026** in the Pan-London timetable in Schedule 3A.
27. Royal Borough of Greenwich will send a file to the eAdmissions portal with outcomes for all resident applicants who have applied online no later than **26 February 2026**. (33 London LAs & Surrey LA only).
28. The file should additionally contain offers to late applicants who can be offered a place on **2 March 2026**. Home LAs are required to make those offers, but they are not included in the report of on-time outcomes generated from the LAS.

## Offers

29. Royal Borough of Greenwich will ensure that, if there are places available, each resident applicant who cannot be offered a preference expressed on the Common Application Form receives the offer of an alternative school place in

accordance with paragraph 2.11 of the School Admissions Code 2021. [The LA should state here how it will determine the school to be offered].

30. Royal Borough of Greenwich will inform all resident applicants of their highest offer of a school place and, where relevant, the reasons why higher preferences were not offered, whether they were for schools in the Home LA or in other participating LAs.
31. Royal Borough of Greenwich's outcome letter will include the information set out in Schedule 2.
32. On **2 March 2026**, Royal Borough of Greenwich will send notification of the outcome to resident applicants by email or first-class post.
33. \*Royal Borough of Greenwich will provide primary schools with destination data of its resident applicants by the end of the summer term **2026**.

### **Post Offer**

34. Royal Borough of Greenwich will request that resident applicants accept or decline the offer of a place by **16 March 2026**, or within two weeks of the date of any subsequent offer.
35. Where an applicant resident in Royal Borough of Greenwich accepts or declines a place in a school within the area of another LA by **16 March 2026**, Royal Borough of Greenwich will forward the information to the maintaining LA by **23 March 2026**. Where such information is received from applicants after **16 March 2026**, Royal Borough of Greenwich will pass it to the maintaining LA as it is received.
36. Where a place becomes available in an oversubscribed maintained school or academy in Royal Borough of Greenwich's area, it will be offered from a waiting list ordered in accordance with paragraph 2.15 of the School Admissions Code 2021.
37. When acting as a maintaining LA, Royal Borough of Greenwich will place an applicant resident in the area of another LA on a waiting list of any higher preference school in Royal Borough of Greenwich's area. (Where this process is not automatic, it will be done immediately following a request from the home LA).
38. Where a waiting list is maintained by an admission authority of a maintained school or academy in Royal Borough of Greenwich's area, the admission authority will inform Royal Borough of Greenwich of a potential offer, in order that the offer may be made by the home LA.
39. When acting as a maintaining LA, Royal Borough of Greenwich will inform the home LA, where different, of an offer for a maintained school or Academy in

Royal Borough of Greenwich's area which can be made to an applicant resident in the home LA's area, in order that the home LA can offer the place.

40. When acting as a maintaining LA, Royal Borough of Greenwich and the admission authorities within it, will not inform an applicant resident in another LA that a place can be offered.
41. When acting as a home LA, Royal Borough of Greenwich will offer a place at a maintained school or Academy in the area of another LA to an applicant resident in its area, provided that the school is ranked higher on the Common Application Form than any school already offered.
42. When acting as a home LA, when Royal Borough of Greenwich is informed by a maintaining LA of an offer which can be made to an applicant resident in Royal Borough of Greenwich's area which is ranked lower on the Common Application Form than any school already offered, it will inform the maintaining LA that the offer will not be made.
43. When acting as a home LA, when Royal Borough of Greenwich has agreed to a change of preferences or preference order, it will inform any maintaining LA affected by the change. In such cases, paragraphs 40 and 41 shall apply to the revised order of preferences.
44. When acting as a maintaining LA, Royal Borough of Greenwich will inform the home LA, where different, of any change to an applicant's offer status as soon as it occurs.
45. When acting as a maintaining LA, Royal Borough of Greenwich will accept a change of preferences or preference order (including reinstated or additional preferences) from home LAs for maintained schools and academies in its area.
46. [Royal Borough of Greenwich, when acting as a maintaining LA, will determine and state here how waiting lists will be maintained after National Offer Day].
47. [Royal Borough of Greenwich, when acting as a home LA, will determine and state here the timetable for the initial offer of places which become available after National Offer Day, which must take place within a maximum of four weeks from National Offer Day].
48. [Royal Borough of Greenwich, when acting as a home LA, will determine and state here that, after preferences expressed in accordance with paragraph 7 above have been determined, applicants may express additional preferences before the start of the school term. The number of additional preferences will be unrestricted unless stated otherwise here].

## **Scheme for co-ordination of admissions to Reception in September 2026**

*All the numbered sections contained in this scheme are mandatory, except those marked with an\* which are highly desirable.*

### **Applications**

1. Applications from residents of Royal Borough of Greenwich will be made on Royal Borough of Greenwich's Common Application Form, which will be available and able to be submitted on-line. This will include all the fields and information specified in Schedule I to this Template LA Scheme. These will be supplemented by any additional fields and information which are deemed necessary by Royal Borough of Greenwich to enable the admission authorities in the LA area to apply their published oversubscription criteria.
2. Royal Borough of Greenwich will take all reasonable steps to ensure that every parent/carer who is resident in Royal Borough of Greenwich and has a child in a nursery class within a maintained school or academy, either in Royal Borough of Greenwich or any other maintaining LA, is informed how they can access Royal Borough of Greenwich's composite prospectus and apply online. Parents/carers who do not live in Royal Borough of Greenwich will have access to Royal Borough of Greenwich's composite prospectus, which will advise parents/carers to contact their home LA if they are unable to apply online.
3. The admission authorities within Royal Borough of Greenwich will not use supplementary information forms except where the information available through the Common Application Form is insufficient for consideration of the application against the published oversubscription criteria. 4. Where supplementary information forms are used by admission authorities in Royal Borough of Greenwich, they will be available on Royal Borough of Greenwich's website. Such forms will advise parents that they must also complete their home LA's Common Application Form. Royal Borough of Greenwich's composite prospectus and website will indicate which schools in Royal Borough of Greenwich require supplementary forms to be completed and where they can be obtained.
5. Where a school in Royal Borough of Greenwich receives a supplementary information form, Royal Borough of Greenwich will not consider it to be a valid application unless the parent/carer has also listed the school on their home LA's Common Application Form, in accordance with paragraph 2.3 of the School Admissions Code 2021.

6. \*Applicants will be able to express a preference for up to six maintained primary schools or academies within and/or outside the Home LA. [If the above recommendation of six preferences is inappropriate for this authority, an alternative number will be substituted].
7. The order of preference given on the Common Application Form will not be revealed to a school within the area of Royal Borough of Greenwich to comply with paragraph 1.9 of the School Admissions Code 2021. However, where a parent resident in Royal Borough of Greenwich expresses a preference for schools in the area of another LA, the order of preference for that LA's schools will be revealed to that LA in order that it can determine the highest ranked preference in cases where an applicant is eligible for a place at more than one school in that LA's area.
8. Royal Borough of Greenwich undertakes to carry out the address verification process set out in its entry in the LIAAG Address Protocol. This will in all cases include validation of resident applicants against Royal Borough of Greenwich's maintained nursery and primary school data and the further investigation of any discrepancy. 9. Royal Borough of Greenwich will confirm the status of any resident child for whom it receives a Common Application Form stating s/he is currently or previously a 'Child Looked After' and will provide any additional evidence on receipt of a reasonable request by the maintaining LA in respect of a preference for a school in its area by **5 February 2026**.

processing of preference data and the application of published oversubscription criteria.]

14. \*Royal Borough of Greenwich will accept late applications only if they are late for a good reason, deciding each case on its own merits. [If this recommendation is deemed inappropriate for this authority an alternative approach should be substituted]

Dear Parent/Carer,

Application for a Secondary / Primary School

*I am writing to let you know the outcome of your application for a secondary/primary school. Your child has been offered a place at X School. The school will write to you with further details.*

I am sorry that it was not possible for your child to be offered a place at any of the schools which you listed as a higher preference on your application form. For each of these schools there were more applications than places, and other applicants has a higher priority than your child under the school's published admission criteria.

*Offers which could have been made for any schools which you placed lower in your preference list, were automatically withdrawn under the co-ordinated admission arrangements, as a higher preference has been offered.*

If you would like more information about the reason that your child was not offered a place at any higher preference school, you should contact the admission authority that is responsible for admissions to the school within the next few days. Details of the different admission authorities for schools in the borough of X are attached to this letter. If the school is outside the borough of X, the admission authority will either be the borough in which the school is situated, or the school itself.

You have the right of appeal under the School Standards & Framework Act 1998 against the refusal of a place at any of the schools for which you have applied. If you wish to appeal, you must contact the admission authority for the school within the next few days to obtain the procedure and the date by which an appeal must be received by them.

*Please would you confirm that you wish to accept the place at X School by completing the reply slip below. If you do not wish to accept the place, you will need to let me know what alternative arrangements you are making for your child's education.*

You must contact this office if you wish to apply for any other school, either in this borough or elsewhere.

[You can also request that your child's name is placed on the waiting list for a school which was a higher preference on your application form than the school you have been offered. Please use the enclosed reply slip and return it to this office]. OR

{Your child's name has been placed on the waiting list for any school which was a higher preference on your application form than the school you have been offered. If you need to find out your child's position on the waiting list please contact the admission authority or the borough in which the school is situated}.

(One of the above bracketed paragraphs should be used depending on whether the LA automatically places children on a waiting list for higher preference schools).

Please return the reply slip to me by **16 March 2026 (sec) / 30 April 2026 (prim)**. If you have any questions about this letter, please contact me on \_\_\_\_\_.

Yours sincerely

*(First preference offer letters should include the paragraphs in italics only)*
