

Royal Borough of Greenwich: Annual CIL Rate Summary

In accordance with Regulation 121C of the Community Infrastructure Levy (CIL) Regulations 2010 (as amended), the Royal Borough of Greenwich as a CIL charging authority is issuing this Annual CIL Rate Summary. Annual rates are shown for:

- 1) Borough CIL 1 (BCIL1), adopted 6th April 2015 (Table 1), effective 6th April 2015 to 23rd July 2024; and
- 2) Borough CIL 2 (BCIL2), adopted 24th July 2024 (Table 2), effective from 24th July 2024 to 31st December 2025.

The CIL is subject to indexation which allows the rates to be increased or decreased keeping the rates responsive to market conditions, reflecting inflation. The Department for Levelling Up, Housing and Communities (DLUHC) developed and introduced an annual index rate, effective following the changes to the CIL Regulations in September 2019. More information on this is available on the [RICS website](#).

The tables below sets out the original CIL charging schedule rates, and the subsequent annual rates taking account of indexation. BCIL1 rates are applicable to CIL liable planning applications approved between 6 April 2015 and 23 July 2024. BCIL2 rates are applicable to CIL liable planning applications approved between 24 July 2024 and 31st December 2025. The rates for 2022, 2023, 2024 are also included for reference.
