

Early Years Everyday Symbols

This document contains a collection of commonly used symbols, that adhere to guidance given in the RBG Visual Support Policy. The Early Years Inclusion Service created this resource for all early years providers based in the Royal Borough of Greenwich.

It is divided into two alphabetised sections

1. Actions and behaviours – *aimed for use on a lanyard or keyring*
2. Places and activities – *aimed for use on a visual timetable (whole setting), Now & Next board (Individual) or to offer choices.*

There will of course be some cross over.

NB. Always refer to the recommendations from involved professionals when implementing support for individual children.

PVI early years settings can contact their allocated Area SENCo if additional symbols are required.

Further resources and information can be found on the [Local Offer website](#)
