LEGAL DECLARATION

I, _____, I hereby disclaim all ownership of the above vehicle. I confirm that I am lawfully entitled to surrender the vehicle, that there are no outstanding finance or hire purchase agreements, and that no other person or organisation has any legal claim to it. I understand that, once accepted by the Royal Borough of Greenwich, ownership of the vehicle passes to the Council, and it may be disposed of without further reference to me. I declare that the information provided on this form is true and accurate to the best of my knowledge.

The original V5C Registration Certificate (logbook) must accompany this form. The Council cannot accept a voluntary surrender without the V5C as ownership cannot be verified.

Once completed, please return this form together with the original V5C Registration Certificate and any supporting documents to the address shown above.
